SUMMARY

Motivated Mechanical Engineering graduate with CGPA 8.3 and hands-on experience in CNC machining, manufacturing processes, Quality inspection. Seeking opportunities in automotive and manufacturing industries to contribute technical and problem-solving skills

WORK EXPERIENCE

Quality Inspection Engineer | Timken Engineering and Research

India

- Conducted dimensional and visual inspection of components as per engineering drawings and quality standards.
- Used precision measuring instruments to verify component dimensions and quality.
- Identified defects and non-conformities and supported corrective actions.
- Maintained inspection reports and quality documentation.
- Coordinated with production and engineering teams to ensure product quality.

PROJECTS

MOVABLE HEADLIGHT MECHANISM

- Designed, developed and fabricated a movable headlight system
- Conducted research on kinematics, force distribution, material selection and actuation mechanisms.
- Improved functionality and reliability through engineering analysis and testing.

EDUCATION

B.E Mechanical Engineering – Sethu Institute of Technology (2026) – CGPA 8.3	2022-2026
SSLC :Raja matric hr sec school - 87 %	2020
HSC : Government hr sec school - 64 %	2022

ACHIEVEMENTS

- Successfully completed NPTEL on Industrial Hydraulics and Automation.
 - Successfully completed Electrical and Electronic Engineering (E Vehicle Technology) Certification.
-

TECHNICAL SKILLS

- AutoCAD
 - SolidWorks
 - CNC Programming
 - Manufacturing Processes
 - Material Handling
 - Inspection and testing
-

SOFT SKILLS

- Communication Skills
 - Time Management
 - Problem Solving
 - Leadership
 - Fast learner and adaptability
 - Organizational Skills
-

AREA OF INTEREST

- Quality Control & Maintenance
- Project Management & Operations
- Computer-Aided Manufacturing
- Automotive Manufacturing
- Production Engineering

DECLARATION

I hereby declare that the information furnished above is true and correct to the best of my knowledge and belief.
